**HARBOURVEST GLOBAL PRIVATE EQUITY LIMITED RELEASES
31 JULY 2009 ESTIMATED NET ASSET VALUE**

HarbourVest Global Private Equity Limited (“HVPE”), a closed-end investment company listed on Euronext Amsterdam by NYSE Euronext, today announces its updated Net Asset Value (“NAV”) as at 31 July 2009.

The estimated NAV is U.S.\$646.0 million or U.S.\$7.78 per share, as of 31 July 2009. This represents a 1.7% increase from the 30 June 2009 estimated NAV per share of U.S.\$7.65. This change resulted primarily from valuation increases for privately-held companies in HarbourVest direct funds (approximately U.S.\$0.07 per share), increases in the value of publicly-traded holdings to 31 July (U.S.\$0.05 per share), and foreign currency movement related to non-U.S. dollar-denominated holdings (U.S.\$0.03 per share), partially offset by ongoing operating expenses (U.S.\$0.02 per share).

During July, HVPE did not make any new commitments or purchase additional interests in HarbourVest-managed funds.

- HVPE is 110% invested.
- U.S. investments remained at 66% of the portfolio, and European investments remained at 26%.
- HVPE’s venture assets account for 41% of the portfolio.
- During July, HVPE funded U.S.\$2.0 million of capital calls to U.S. and non-U.S. fund-of-funds and did not receive distributions.
- Total unfunded commitments increased by U.S.\$1.0 million during the period to U.S.\$659.8 million. Of these commitments, approximately U.S.\$474.3 million has been committed to underlying partnerships; the balance has not yet been committed.
- During the month, the Company repaid U.S.\$10.0 million of outstanding borrowing against its U.S.\$500.0 million credit facility, which is committed until December 2014. At 31 July 2009, a total of U.S.\$80.0 million has been drawn. Based on the facility’s most restrictive covenant, there is currently U.S.\$324.0 million available to be drawn.

Additional detail about HVPE’s NAV and investment diversification can be obtained on HVPE’s Web site, www.hvgpe.com, in the Monthly Update for 31 July 2009.
